D. for balance. Orders under \$10.00 are cash. All orders from outside of the United States proper must be accompanied with full payment.

All prices quoted are F. O. B. Goshen and subject to stocks being unsold on receipt of orders. There will be no charge for boxes or packing. In making shipments, I will send the cheapest way. When sending by Parcel Post, the shipment will be mailed C. O. D. for postage charges. Do not remit payment for postage as this can not be accurately figured.

No orders will be accepted for less than \$2.00 as orders for less than this can only be filled at a loss, that is on these wholesale prices only.

My guarantee: Stock to be of the best quality, and true to name. I will gladly replace any bulbs that are not true to name as I am anxious to satisfy all of my customers. Also in the event your shipment does not arrive in a satisfactory condition please notify me at once.

As all orders are filled in rotation in which received my advice is to order early so as to prevent refunding. No substitutions will be made unless by special request.

All stock is offered subject to prior sale and orders are accepted subject to any contingences beyond my control.

TO COMMERCIAL GROWERS:

This is my revised wholesale list to commercial growers only. Many varieties are already sold out in the large sizes but I still have an abundant stock of the smaller sizes which you will want for your Spring planting.

Kunderd Gladioli are now so well and favorably known that growers who have them listed in their catalogs are quite often over sold before the close of the season. This list will give you an opportunity to replenish your stock to fill orders, at very reasonable prices for such high quality.

I regret that I have been unable to fill all of the wholesale orders that have been sent me; but it is true every year. I do not buy in the open market but supply only from my own stock and of properly grown quality, perfectly cured, stored and handled in every way, so that my customers can feel assured of the best results.

I cannot grow all of the Bulbs myself that are needed to supply the great demand for my wonderful new gladioli; therefore I am offering to sell you the planting stock so that you may share with me in supplying this demand.

Yours for the best, A. E. KUNDERD.

Rev. Alfred I. M. Dove, St. Francis Seminary, Loretto, Pa.: Enclosed please find my order and money order for bulbs which I want this year. Last year I bought from you about four hundred bulbs and although I have thousands of others from other sources I can rightly say I have never found anything to equal the vitality and color of your bulbs. When the flowers are placed side by side you can easily distinguish your flowers from the others because they are superior."

J. C. Henning, Jr., Drewry's Bluff, Va.: I have been a glad grower for the last five years and have tried a great many places to get my bulbs, with some good, and others bad. But three years ago I got my first from you and had such a wonderful blooming season that I have never gotten any more bulbs from anybody else since your bulbs not only grow and bloom the first year but keep on year after year."

Mrs. M. C. Jones, Tacoma, Wash.: I was very much pleased with the bulbs I received from you last year. They all grew and were true to color, something that has never happened to me before although I have bought bulbs all over the United States. I am glad to send you an order this year and if I have as good success with these bulbs I will buy only of you in the future."

W. H. Owen Johnston, Ruatorea, New Zealand.: "I wish to convey to you my thanks for the gladioli I received from you early this year. I have enjoyed untold pleasure watching the bulbs grow and at last can exhibit to my friends the finest Glads ever seen in this district."

Wm. A. Klumpp, Fairmount, W. Va.: "Would very much appreciate receiving your wholesale price list of glads. We have sold cut flowers for the past several years, but have not included Glads. However, we believe we shall be interested this year. This is due wholly to the wonderful results obtained from the 100 bulblets purchased from you. The flowers or bloom were far beyond our fondest dreams. "Each one bloomed."

Henry C. Pelton, Conn., Oct. 26, 1926: For the past three years I have raised flowers as my hobby. I have found it a pleasure as well as a profitable pastime. I felt proud of my gladioli having bought them at various places and thought I had acquired some of the best varieties. They all certainly are handsome, but none can compare with those that I bought from you in the spring. From now on when I am in the market for bulbs it will be Kunderd for mine.
